CONNECT WITH PEOPLE YOU LOVE

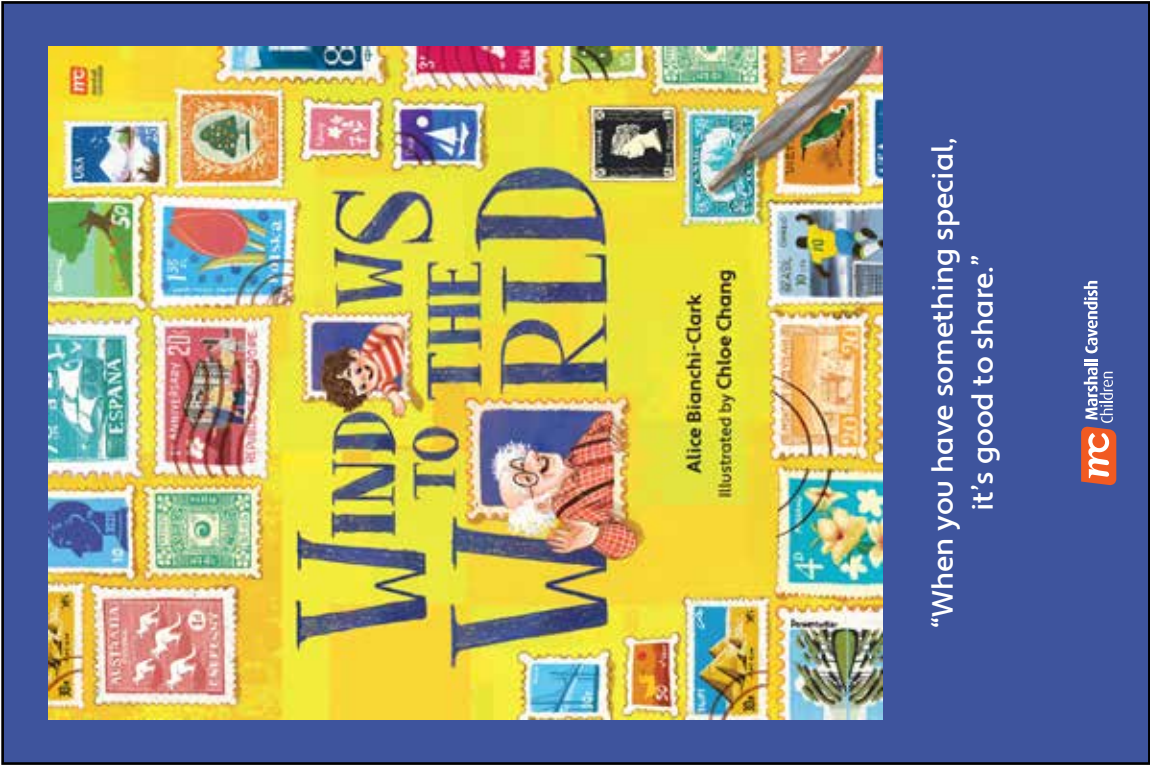

Now that you know almost as much about stamps as Alexander does, it's your turn to delight someone special with a handwritten note. Think of someone whom you wish to express your thanks or love to.

Scan the QR code to buy the book:

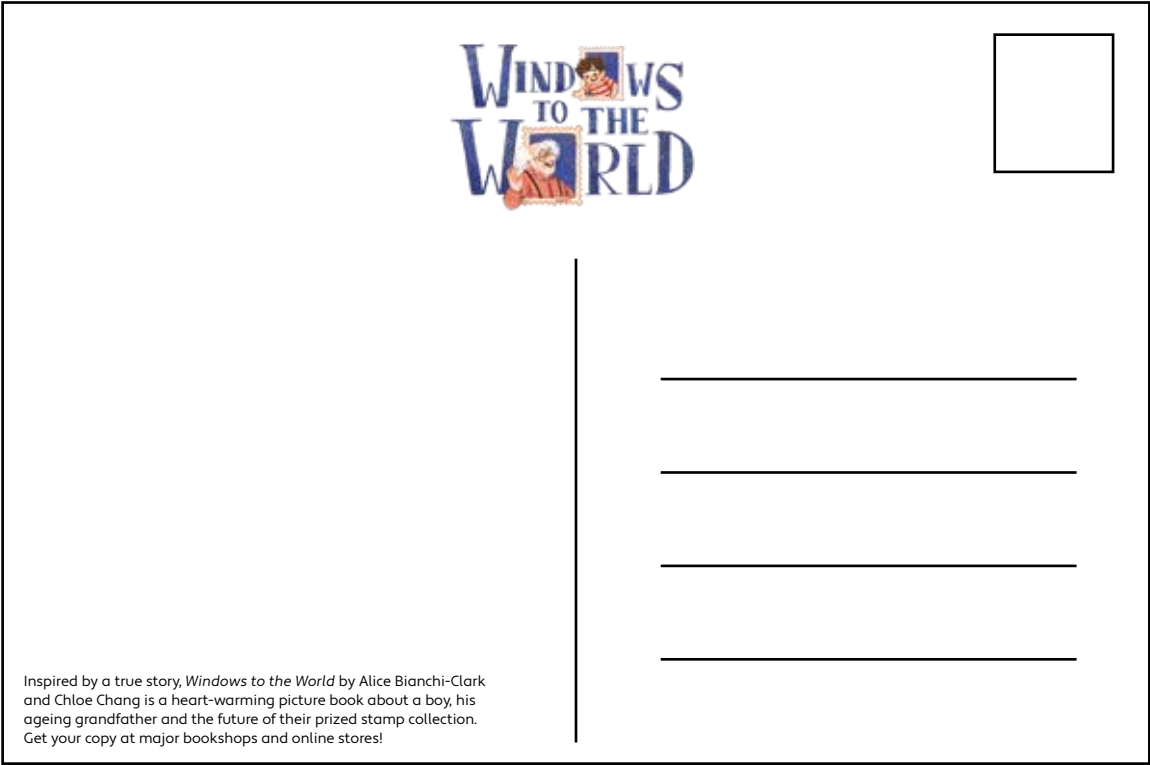

1. Print the following page out on card stock.
2. Cut out the postcards and paste them back to back.
3. Write your sweet message on the left-hand side. If you can, squeeze in a little drawing to add some colour. Remember to sign your name.
4. Fill in your special person's address on the right-hand side.
5. Stick a stamp onto the box provided on the upper left-hand side. You could also plan a trip to your local post office to pick a stamp yourself (remember to ask about your post office's selection of colourful stamps).
6. Post your postcard by slotting it through the letterbox.

“When you have something special,
it’s good to share.”

mc Marshall Cavendish
Children

Inspired by a true story, *Windows to the World* by Alice Bianchi-Clark and Chloe Chang is a heart-warming picture book about a boy, his ageing grandfather and the future of their prized stamp collection. Get your copy at major bookshops and online stores!
